THE KNIGHT HERALD

August 2012

Grand Knight's Column

Dear Brother Knights:

I would like to thank all of the Knights who participated and came to watch the Reynoldsburg Fourth of July Parade and those who worked the concession trailer at Civic Park during the fireworks display. We did quite well on sales of the lighted swords, bracelets and pacifiers and selling of our meal deals consisting of Philly Steak and Cheese, Meatball Sub and Italian Sausage Combo's . It was a fun day for everyone.

As mentioned in last months newsletter, here are my goals for our council this year.

- Recruit 14 or more members this Fraternal Year.
- Bring our council website back on line by mid August.
- Earn as many award points as possible for various activities our council participates in during the year.
- Form a Columbian Squires Circle.

Please read the Columbia Magazine each month for information happening in the Knights of Columbus worldwide, news and interesting articles. This is especially true of the Knights in Action in the back of the magazine.

Keep in mind about our Parish Festival 10/11 August. Contact Lee Brock if you wish to participate in the events we will have.

We have a great council with talented members. I would like each of you to participate in as many council activities as possible. There are several activities during the year and we need your help in making them successful.

Thank you, in advance, for the good work you do for our council and the community.

Fraternally yours,

SK Stephen J. McClellan
Grand Knight

MEMBERSHIP

A Sense of Accomplishment - Working with Brother Knights on local service projects provides members with a sense of self-esteem and joy that comes from giving to those in need. Every year more than 140 million man-hours of volunteer service are donated by members of the Order to "make a difference" in their local communities. When was the last time you asked a friend or neighbor to join our council?

Honor Flight Dates

Honor Flight Columbus recognizes and celebrates World War II veterans by flying them to Washington, D.C. to visit memorials dedicated to their important service. This is done at no cost to them as a token of our gratitude and respect for their service to our country. On the following dates, flights will be returning to the Columbus airport at 8:30pm. Honor Flight Columbus is asking for your help in greeting these veterans on their return to Columbus.

Exercise, but Not Too Much!

While regular exercise is essential to a healthy quality of life, too much exercise can have the opposite effect. Studies have shown that over an hour and a half of hard exercise can lower white blood cell activity and decrease immune system function. Enjoy being active, but give your body time to rest!

Disability insurance can also cover rehabilitation and retraining

Whatever it takes. That's the attitude breadwinners usually have about getting back to work after an illness or injury prevents them from doing their job for a time. Whatever it takes to get back to work. Whatever it takes to earn a living, even if that means doing a different job—or doing the same job in a different way. Disability insurance can help make that happen.

Although disability insurance's main purpose is to provide monthly income when you can't work because of a covered medical condition, policies such as Income Armor from the Knights of Columbus can also pay some costs for retraining and rehabilitation.

With Income Armor's "Rehabilitation and Retraining Benefit," while you're receiving monthly benefits, we can work with you to create a written plan for receiving training to help you move on to another career, or learn how to modify your current job.

Perhaps you'll need to go back to school, or work with an occupational therapist. You may be eligible for help in purchasing equipment you need to adapt to a disability and get your work done. It's all voluntary, and the simple goal is your successful return to doing rewarding work.

Rehabbing from a disabling condition can be stressful and demanding—on individuals and on their families—but having a clear destination of a good job ahead is powerful motivation. If you're not sure whether you have rehabilitation and retraining benefits through work or through a private disability insurance policy, I'd be glad to help you sort that out and discuss your options.

Parish Festival

Our Annual Parish Festival is August 10th and 11th. Please consider a gift of your time and talent to the parish. Our people are our parish and your gift benefits us all. Funds are earmarked to upgrade our school building's electrical system and to install whole school air conditioning. Our hope and prayer is that all of us will support this project by buying and /or selling raffle tickets when we receive them. Thank you in advance for your support with this endeavor!

Lee Brock will be looking for volunteers to help at the festival. Please don't wait for him to call you, call Lee at 861-5137 and let him know how you can help.
