# Grand Knight's Column

Worthy Brother Knights,

Last month I asked you to check your schedule and decide where, when and how you can help your council. During August you will have an opportunity to act on your decision.

If you want to become involved in your local community, we have both the Bloodmobile and the Pataskala Street Fair. The more donors we have at the Bloodmobile, the more people we help in our community. The more brother Knights we have participating at the Pataskala Street Fair, the more money we raise to help our church and our community.

All of our activities are designed to allow us to socialize with our brother knights while helping our church and community. This is just some of the many ways your council is involved in helping others. Help us reach out to those in need by assisting us. We can't do it without you.

We are the strong right arm of the Church, serving God, our Priests, Bishop, and Community. Only through the efforts of all our council members can we continue to make an impact. Help us maintain the legacy established by our founding members by acting on your decision to help your council.

Fraternally Yours,  
*S.K. Dominic Nocera*, Grand Knight (danocera@gmail.com)
